SALE CATTLE ON BLUE GRASS

ANNOUNCEMENT

In presenting this catalogue of the breeding of the animals offered in this draft sale, I do so believing the blood and individual merit is equal to any similar number ever offered in this country from one herd, as I have listed the best from my entire herd, which numbers over 250 head. I am not making this sale to close out, but because I have the cattle to sell. I expect to breed good Shorthorns as long as I live. When I say good Shorthorns I do not mean simply as to breeding, but also as to individuality. The sale will include animals exhibited by us in many show rings, and are now in show yard condition, having for sires such bulls as Imported Cyrus 2d, Fair Goods, Imp. Villager, Avondale, White Hall Rosedale, King Cumberland and other famous bulls of excellent blood lines. I am confident that any prospective buyer who is in need of a show cow, heifer or young bull will find it in this sale.

Cattle will be loaded on cars free of charge, but will be at purchaser's risk as soon as bid off. All known defects will be pointed out on sale day. Cows with calves in sale under one year old, or forward in calf, shall be considered breeders without further guarantee. All other females of breeding age which have been bred are guaranteed breeders; all bulls of breeding age are guaranteed breeders, with proper care. If any animal should not measure up to this guarantee, we reserve the right to have such animal, in good condition, returned to our farm, and if, after six months, is still barren, we will refund the purchase price, or another animal of equal value will be given in exchange; but if it proves a breeder it shall be returned to the purchaser at his expense.

Location—Kahoka is twenty miles west of Keokuk, Ia., on the K. & W. division of the C. B. & Q. R. R. East bound trains arrive at 12:22 and 8:20 p. m. West bound arrives at 9:50 a. m. and 10 p. m. Santa Fe railroad at Medill, 3½ miles west of Kahoka, and all trains there will be met with automobile and parties conveyed to sale tent at my expense. Free entertainment. Parties from a distance will be my guests at the Hotel Huston. Sale under cover, rain or shine.

Terms—Cash, or nine (9) months' time with interest at 6 per cent., upon bankable paper. Bring bank reference. Sale at fair grounds, Kahoka, Mo., Thursday, Nov. 12, 1914, at 12:30 sharp.

We clip the following in regard to Choice Goods from Bellows' 1910 catalogue. Mr. Bellows has undoubtedly seen more Choice Goods offerings than any other one man and is authority on the subject.

Imp. Choice Goods 186802. While in Scotland last summer we visited the herd of Mr. Durno, breeder of Choice Goods and saw the mother, Geraldine 5th. She is a cow of the true matronly type, a regular breeder and heavy milker. Remus the sire of Choice Goods, was a son of Star of Morning, and in visiting the herds of Scotland we found more good Short Horns descendants of Star of Morning than any other single bull. The sire of Geraldine 5th was the Campbell bred bull First Choice, he by the Cruickshank Brawith Bud sire Gravesend 98361 and out of Clarissa by Luminary 52566.

Gainford Marquis 370987—Roan; Oct. 13, 1909. Bred by G. Harrison, got by Gainford Knight 370986, out of Dalmeny Marchioness 8th Vol. 55, p. 763E, sired by Villager 80177, out of Marchioness 21st by Peter the Great 72518, out of Marchioness 18th by Steadfast 61870, out of Marchioness 15th by Merlin 54715, out of Marchioness by Rocket 56418.

Uppermill Omega (97506) is a wonderful thick, good bull, and he is proving himself one of the greatest sires of the day. He was the last calf bred at Uppermill before the dispersion; his sire was the bull Bapton Favorite that sold on that occasion for \$6,000, and his dam was Maude 37th by High Commissioner (59085); also the dam of Spicy Marquis, grand champion at Toronto in 1903, and sold by Mr. Flatt for a big price to head the herd of Sir William Van Horne.

Ardlethen Royal (87821) is a smooth, good fleshed bull with straight lines and plenty of masculine character. He belongs to the Princess Royal family and was sired by the Broadhooks bull, Baron Beaufort (80399). A half sister of his (from the same sire) brought \$1,600 at the Uppermill sale, and another half sister (from the same dam) brought \$1,400 at the same sale. The Princess Royal family was the most numerous in the Marr herd at the time of the dispersion and the eighteen of all ages brought an average of \$800 each.

The Lavenders are everywhere conceded to be one of the very first of the Sittyton tribes. Their origin is the same as that of the Lancasters from which Mr. Pickere's great bull, imp. Baron Booth of Lancaster was bred; and many of the most valuable cattle ever brought out from Scotland have borne the Lavender name. Probably the grandest cow ever owned by Col. Harris at Linwood was imp. Lavender 36th of this same family. One of the greatest champion show bulls of England in recent years is Count Lavender, the property of Deane Willis. As a class, the Lavenders are distinguished for their finish, flesh and quality.

Imp. Princess Alice made a show yard record with which most breeders are familiar, and has since been a splendid breeder and exceptional milker. She was sold in January, 1895, to Col. T. S. Moberly for \$800. Queen of Hearts was the only cow which Col. Harris reserved in his closing out sale. Fairy Queen as a yearling in 1891, was first in her class at Topeka and Kansas City fair, and was sweepstakes female at the latter place, right from the pasture. Young Marshall, a son of Princess Alice, was first prize yearling at Kansas City and several other fairs in 1892 and first prize at two-year-old at the Columbian in 1893. Prince Royal another son, was first prize yearling and sweepstakes bull at Kansas City in 1893. Other noted sons are Royal Hero, Alice's Prince, Prince Armour and Royal Knight.

Shenstone Albino 317105 was bred by R. P. Cooper and perhaps the best known show bull of his time in England. He was purchased by us in 1909 and was shown at the largest fairs that season without defeat. He was Grand Champion at the World's Fair at Seattle, Washington, and also Champion at Chicago, Denver and Fort Worth, Texas. He commenced the circuit of 1910 by winning the Grand Championship at the Ohio State Fair where he met with an accident to a foot and had to be taken off the show circuit; but he was later Champion at Denver and Fort Worth, Texas. In 1911 he commenced the show circuit at Winnipeg, Canada, and when through the entire circuit had won 7 firsts and Grand Championships at the following fairs—Brandon, Manitoba; The Dominion Fair, Regina, Saskatchewan; London, Ontario; Detroit, Michigan; Springfield, Illinois; Denver and Fort Worth.

Imp. Scottish Pride 36106 is proving an excellent sire, and belongs to the well known Marr Roan family (which on several occasions have topped the Duthie-Marr sales), and his sire, Scottish Prince (72953), bred by Mr. Duthie, belongs to the popular Princess Royal family. His dam was Cinderella 2d, by Allin Gwynne (66609), and his granddam was Cinderella, by John Bull (65701).

Imp. Prime Favorite 45214 was used in Mr. Pettit's herd for several years with great success, and many of his get have won honors at the leading Canadian Exhibitions, which demonstrates his value as a sire. He was also a strong show proposition himself, winning in 1907 the grand championship at the Canadian National Exhibition, Toronto, and also at the New York State Fair, Syracuse. His breeding is very choice, as he is from the noted Marr Princess Royal family and has for a sire the noted Bapton Favorite, which was used so successfully in the Uppermill herd and at its dispersion sold for over \$6,000. Prime Favorite was out of Princess Royal 49th, by Sea King (61769).

Fair Star entered in the great Short-Horn Futurity and is a very promising candidate.

Golden Choice is full sister in blood to Ruberta's Goods (the great Nebraska sire), and combines the blood of the champion bulls of two world's fairs. Her dam, Golden Girl, is full sister to Golden Goods, a \$3,750 bull, sold to Mr.

Minor of Oregon. Her grand dam, Golden Abbotburn, was senior champion cow at the American Royal Show in 1905. Her other grand dam, Ruberta, was champion of the breed for four years in succession.

Fair Goods 253391, white, of September 9, 1903; bred by Tebo Land & Cattle Co., Clinton, Mo., got by imp. Choice Goods 186802, out of Ruberta by St. Valentine 121014. You will notice that he is a son of the two great champions, imp. Choice Goods and Ruberta, a prize winner himself and a sire of prize winners. A 2,700 pound show bull.

We clip the following in regard to Choice Goods from Bellows' 1910 catalogue. Mr. Bellows has undoubtedly seen more Choice Goods offspring than any other one man and is authority on the subject.

Imp. Choice Goods 186802. While in Scotland last summer we visited the herd of Mr. Durno, breeder of Choice Goods, and saw the mother, Geraldine 5th. She is a cow of the true matronly type, a regular breeder and heavy milker. Remus, the sire of Choice Goods, was a son of Star of Morning and in visiting the herds of Scotland we found more good Short-Horns descendants of Star of Morning than any other single bull. The sire of Geraldine 5th was the Campbell bred bull First Choice, he by the Cruickshank Brawith Bud sire Gravesend 98361 and out of Clarissa by Luminary 52566.

The Lavenders are everywhere conceded to be one of the very first of the Sittyton tribes. Their origin is the same as that of the Lancasters from which Mr. Pickerel's great bull, imp. Baron Booth of Lancaster was bred; and many of the most valuable cattle ever brought out from Scotland have borne the Lavender name. Probably the grandest cow ever owned by Col. Harris at Linwood was imp. Lavender 36th of this same family. One of the greatest champion show bulls of England in recent years is Count Lavender, the property of Deane Willis. As a class, the Lavenders are distinguished for their finish, flesh and quality.

Moberly for \$800. Queen of Hearts was the only cow which Col. Harris reserved in his closing out sale. Fairy Queen as yearling in 1891, was first in her class at Topeka and Kansas City fair, and was sweepstakes female at the latter place, right from the pasture. King Cumberland 2d 352076 has the distinction of being a full brother to King Cumberland the 1908 Grand Champion, that sold to the Elmdorf Farm for \$5,000 and was the sire of the 1912 Junior Champion, King Secret. Following taken from the Homestead: "King Cumberland 2d, the noted junior champion bull at Des Moines, and one of the greatest bulls living today. We looked him over the other day and we don't think we ever saw him looking better. Not only is this bull a remarkable individual, but he is one of the most pretentious sires in the West today. King Cumberland 2d is a remarkable bull in his fleshing qualities, in his type and character, in his depth of quarters, with his great back and loin and in his general makeup. No matter where you may travel, either east or west, you will rarely find such a magnificent bull as is this great son of Cumberland's Last and that noted breeding cow, Miss Walpole."

Imp. Princess Alice made a showyard record with which most breeders are familiar, and has since been a splendid breeder and exceptional milker. She was sold in January, 1895, to Col. T. S. Moberly for \$800. Queen of Hearts was the only cow which Col. Harris reserved in his closing out sale. Fairy Queen as yearling in 1891, was first in her class at Topeka and Kansas City fair, and was sweepstakes female at the latter place, right from the pasture. Young Marshall, a son of Princess Alice, was first prize yearling at Kansas City and several other fairs in 1892 and first prize two year old at the Columbian in 1893. Prince Royal another son, was first prize yearling and sweepstakes bull at Kansas City in 1893. Other noted sons are Royal Hero, Alice's Prince, Prince Armour and Royal Knight.

Imp. Young Mary, one of the most remarkable cows ever imported. She was sold at the Ohio Imp. Co.'s sale, October 29, 1896, with her daughter, Pocahontas, for \$1,500; was a large cow, but not strictly of show yard character; an excellent milker, and very prolific breeder; lived to be about twenty years old and died after giving birth to her sixteen' calf. Five of her daughters were got by imp. Goldfnder—one of them (Hannah Moore) was exhibited at all the leading fairs of Kentucky and never suffered defeat. Young Mary's descendants, like those of Young Phyllis, are numbered by the thousands, and there is hardly a herd in the United States so good but what its owner can, with pride, point out some of his best cattle as being Young Marys.

Imp. Young Phyllis, a roan; calved in 1831; bred by the Earl of Carlisle, Yorkshire England; imported in 1834, at a cost of \$1,500. She was a great show cow in her day and never failed to win first prize but once and then she received second. She had a rich roan color with neat head and small horns, with neat neck and fine shape and style, although she died young, leaving but three or four calves, the produce from them have been very prolific and so uniformly good that her descendants are now found recorded in the herd books by the thousands and are highly regarded by the best breeders in the land.

Fair Goods 253391, white, of September 9, 1905; bred by Tebo Land and Cattle Co., Clinton, Mo., got by imp. Choice Goods 186802, out of Ruberta by St. Valentine 121014. You will notice that he is a son of the two great champions, imp. Choice Goods and Ruberta, a prize winner himself and a sire of prize winners. A 2700-pound show bull. Fair Goods sired Green Goods, the best Short Horn steer that has ever been exhibited. The Iowa Agricultural College selected this steer, considering him the best of any breed to be found in America, with which to win the grand championship at the International show next month. Mr. Bellows called on Mr. Durno while in Scotland and reports that the mother of Choice Goods (Geraldine 15th) is a cow of true matronly type, a regular breeder and heavy milker. Fair Goods is a bull of genuine Scotch character and his progeny is worthy of the most careful consideration.
